

HB 694 -- MOTOR FUEL TAX

SPONSOR: Redmon

This bill creates a graduated tax system for propane fueled vehicles. Tax rates are specified in the bill and the taxes are collected and used for the same purposes as the state road tax. Propane fueled vehicles may continue to apply for and use alternative fuel decals in lieu of paying the tax. No fuel decal is required for vehicles that fuel at stations collecting the new propane tax, however, there is no refund policy for vehicles with fuel decals that choose to obtain fuel at unattended stations where tax is automatically collected at the point of sale.
